The Adult College Completion Network: Introductions and Highlights

Network members will engage in a facilitated discussion about key aspects of their projects, how to better serve adult learners, and successful strategies that they have employed or hope to implement as part of Lumina Foundation's commitment to increase adult college completion. This discussion will include a brief update on new state authorization regulations for distance education as well as aspects of the ACC Network that are available to assist participants in their work.

Facilitators:

Demarée Michelau, director of policy analysis, *Western Interstate Commission for Higher Education*

Russell Poulin, deputy director, research and analysis, *WICHE Cooperative for Educational Technologies*

9.45 – 10.45 am

Bringing them Back: Marketing to and Recruiting Adult Students

Marketing messages aimed at adult learners can easily get muffled in the deluge of information targeting these potential students. Getting the message heard, however, is a crucial first step in a complex recruitment process. In this facilitated discussion, network members will share strategies for crafting and delivering an effective message and helping potential students survive barriers in the readmission process that can stop them before they take their initial steps toward college completion.

Facilitator:

Demarée Michelau, director of policy analysis, *Western Interstate Commission for Higher Education*

10.45 – 11.00 am

Break

11.00 am – 12.00 pm

Increasing Adult College Completion and Maintaining Quality: An Open Discussion

With momentum in the U.S. moving briskly toward finding ways to increase college completion, there is an inevitable and legitimate debate about how to accomplish the various national and state goals while still maintaining the quality that is expected of American higher education. This lively session will give participants the opportunity to discuss in an open forum ways to keep moving forward to ensure that all students are being served appropriately and effectively.

Facilitator:

David Longanecker, president, *Western Interstate Commission for Higher Education*

12.00 – 1.00 pm

Networking Lunch

Network members are encouraged to dine with colleagues from similar projects and continue discussions from the morning sessions.

TUESDAY, MARCH 22 (continued)

1.00 – 2.00 pm

BREAKOUT SESSIONS: Finding Common Ground

Facilitated breakout sessions based on three major themes will give network members an opportunity to delve more deeply into successful strategies and common challenges that can hinder a project's success. If there is more than one representative from your project, please arrange for your project to be represented at more than one breakout session.

Web-based Technologies: Online Learning and Web Portals

Facilitator:

Russell Poulin, deputy director, research and analysis, *WICHE Cooperative for Educational Technologies*

Workforce and Employer Engagement

Facilitator:

David Longanecker, president, *Western Interstate Commission for Higher Education*

Student Advising and Mentoring

Facilitator:

Patrick Lane, project coordinator, *Western Interstate Commission for Higher Education*

2.00 – 2.15 pm

Break

2.15 – 3.00 pm

Final Thoughts: The Future of the Adult College Completion Network

This final session will provide a forum for participants to offer further reflections on ways that the ACC Network can be most useful to them as they strive to increase adult college completion.

Facilitators:

David Longanecker, president, *Western Interstate Commission for Higher Education*
Holly Zanville, program director, *Lumina Foundation for Education*
